# REFLECTION: DEMOCRACY AND CITIZEN PARTICIPATION

What is democracy?

A system of government where power belongs to the people, who participate through voting and civic involvement

What is citizen participation?

The actions through which people take part in decisions that affect their community and society.

Why are these concepts important?

They promote cooperation, protect rights, and help build fair, equal, and representative societies.

Step 1: Examine the sticker image  
carefully

Step 2: Match it to the corresponding  
description

Step 3: Identify the description number

Step 4: Locate the matching number in  
the album

Step 5: Affix the sticker in the correct  
spot
